

KoBox Care mobile application

Privacy Policy

Effective date: March 10, 2020

Kodisoft Limited ("us", "we", or "our") operates the KoBox Care mobile application (the "Application"). This page informs you of our policies regarding the collection, use, and disclosure of personal data when you use our Application and the choices you have associated with that data.

The Application allows users to interact with smart restaurant tables produced by Kodisoft Limited. Interaction with the table may include, but not limited to, performing table software setup, monitoring table systems diagnostics.

We use your data to provide and improve the Application. By using the Application, you agree to the collection and use of information in accordance with this policy.

Information Collection And Use We collect several different types of information for various purposes to provide and improve our Application to you.

Types of Data Collected

Personal Data

While using our Application, we may ask you to provide us with certain personally identifiable information that can be used to contact or identify you ("Personal Data"). Personally identifiable information may include, but is not limited to:

- Email address

Usage Data

When you access the Application by a mobile device, we may collect certain information automatically, including, but not limited to, the type of mobile device you use, your mobile device model, your mobile device identifier, your mobile device operating system, the IP address of your mobile device and other diagnostic data ("Usage Data").

Use of Data

Kodisoft Limited uses the collected data for various purposes:

- To provide and maintain the Application
- To notify you about changes to our Application
- To allow you to participate in interactive features of our Application when you choose to do so
- To provide customer care and support

- To provide analysis or valuable information so that we can improve the Application
- To monitor the usage of the Application
- To detect, prevent and address technical issues

Transfer Of Data

Your information, including Personal Data, may be transferred to and maintained on computers located outside of your state, province, country or other governmental jurisdiction where the data protection laws may differ than those from your jurisdiction. Your consent to this Privacy Policy followed by your submission of such information represents your agreement to that transfer. Kodisoft Limited will take all steps reasonably necessary to ensure that your data is treated securely and in accordance with this Privacy Policy and no transfer of your Personal Data will take place to an organization or a country unless there are adequate controls in place including the security of your data and other personal information.

Disclosure Of Data

Legal Requirements

Kodisoft Limited may disclose your Personal Data in the good faith belief that such action is necessary to:

- To comply with a legal obligation
- To protect and defend the rights or property of Kodisoft Limited
- To prevent or investigate possible wrongdoing in connection with the Application
- To protect the personal safety of users of the Application or the public
- To protect against legal liability

Application Providers

We may employ third party companies and individuals to facilitate our Application ("Application Providers"), to provide the Application on our behalf, to perform Application-related services or to assist us in analyzing how our Application is used.

These third parties have access to your Usage Data only to perform these tasks on our behalf and are obligated not to disclose or use it for any other purpose.

Analytics

We may use third-party Application Providers to monitor and analyze the use of our Application.

Azure Application Insights

Azure Application Insights is a web analytics service offered by Microsoft that tracks and reports application events and performance. The collected data is stored on Azure servers. Application Insights is an Azure Application. Security policies are described in the Azure Security, Privacy, and Compliance white paper.
